A letter from a scholarship winner

To whom it may concern,

It is with the utmost gratitude and appreciation that I write to you today. Through generous acts of kindness by individuals such as you, Art will continue to augment the beauty of our community. It is both an honor and a privilege to receive your award, and I cannot thank you enough. Please extend my thanks to the entire scholarship committee and all those connected with the selection process.

John Fitzgerald Kennedy once said that " as we express our gratitude, we must never forget the highest appreciation is not to utter words, but to live by them". I intend on following this motto and to "live" my appreciation, using my Art to make the world a better *place*.

Most appreciative,

Barry Fitzgerald
